Our public access computers were in use for

909 HOURS, WITH **1,718** LOGINS

4,368 CONNECTIONS TO OUR
HIGH-SPEED WIFI

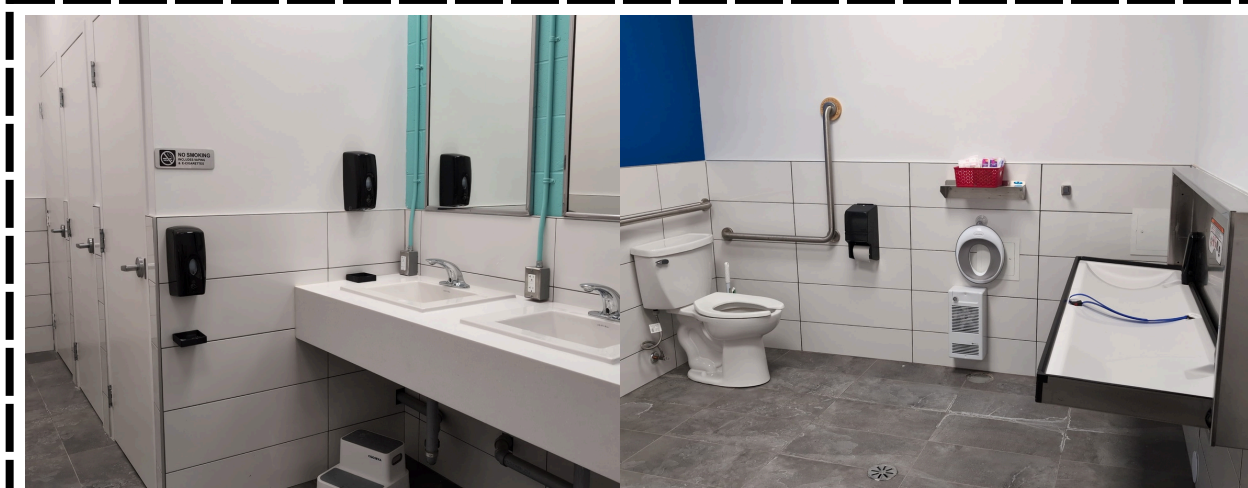

The amount of change the Library has experienced this year has been remarkable. What stands out even more is the dedication of our staff, volunteers, and the Friends of the Library. From the launch of our Seed Library to advocacy and research to prepare our very first strategic plan for 2026-2029, their hard work made this year's accomplishments possible. I am proud to work alongside such an incredible community and look forward to the challenges and opportunities ahead.

-Julie Lane, CEO

Additions to our collection:
